OFFICE LOCATION

IPCA's office is located on the 8th floor (Suite 805) of National City Center's East Tower at 101 West Washington Street in downtown Indianapolis. National City Center (formerly known as Merchants Plaza) is connected to the Hyatt Regency Hotel. The 8th floor is a secure floor so you will need to ring the office from the phone in the elevator lobby. Many of IPCA's committee are held in the conference room located on the second level of the building. *NOTE:* There are three elevator systems servicing the two office towers and the Hyatt - the IPCA office can only be accessed from the East Tower elevators (located on the second floor).
